Brad et al,

Please find questions from the West Lake Landfill CAG Tech Committee attached to this email. For anyone that was not able to attend the meeting last night and would like to remain on the CAG Tech Committee, please send me a private email. I'm trying to keep track of who is active and not active and how we can best meet the needs of everyone that wishes to participate, especially those who did not attend the meeting last night.

Best regards,

Ed
